## About us

Rassan Industrial Group has been operating in the field of building sanitary Faucets since 1998. Since its inception, Rassan has focused its production and industrial presence, honoring national production and honoring Iranian consumers, and has moved toward globalizing Iranian brand and products with the goal of creating value and localizing industrial knowledge.

Rassan faucet company with high engineering and expertise, benefitting from the knowledge and efforts of young Iranian specialists and advanced devices of the world has been able to produce a variety of products in accordance with the tastes of Iranian families. Today, the company's distribution and sales representatives are active in most parts of Iran and a significant portion of the company's products are exported to Iraq, Afghanistan, Turkey, Bulgaria, Lebanon, Syria, Kenya And the Persian Gulf and CIS countries.

All Rassan valves products are manufactured to the strictest international standards. The choice of this production unit as the National Standard of 2019 & 2022 and Tehran Province Standard of 2019 & 2020 as well as the popularbrand of consumers in 2018, 2020, 2021 & 2022 are proof of this claim.
